**ATR VERDICT:** DARK COMPANY showed promise when third on debut at Pontefract last month and took the necessary leap forward when successful at Kempton a fortnight later. The step up to 7f really suited the son of Fast Company there and he has enough early pace to defy this wide draw. Dewey Road made it fourth-time lucky at Kempton earlier this month for Richard Hannon and merits respect, while Aerion Power was disappointing at Newbury last time but previously looked talented when second on debut on a synthetic surface.

**Top Tip:** DARK COMPANY (3)  
**Watch out for:** DEWEY ROAD (5)
