<b>TIMEFORM VIEW:</b> FINANCIAL OUTCOME ran well on the back of 7 months off when runner-up at Ffos Las earlier this month and, with his rider able to take off a valuable 7 lb, he's fancied to make a bold bid to go one place better with that under his belt. Cash To Ash remains relatively low-mileage as a chaser and is feared on return, along with Cesar Et Rosalie and Air Navigator.

**TIMEFORM VIEW:** VERDANA BLUE suffered a disappointing reversal at Kempton last time and deteriorating ground would ask a question of her, but she's very much favoured by the weights here and if she's near her peak form, she'll win this. Whitehotchillifili is open to progress this term and is offered for forecast purposes.

**TIMEFORM VIEW:** A race which revolves around CYRNAME, as if he sees out the trip (below-form second in King George sole attempt at 3m) and shows himself to be fully effective on a left-handed track (all best efforts right-handed) then he'll be extremely hard to beat. Vinndication, who goes well fresh, is more than capable of making his mark in open graded company and is next best ahead of 2019 winner Ballyoptic.

<b>TIMEFORM VIEW:</b> The really interesting one is DO WANNA KNOW, who looked very promising as a novice last season and this opening mark may prove to be a lenient one. Arrivederci also brings potential to the table and he is feared most. That said, Calum Gilhooley is also open to improvement and needs considering, while Eaglehill, Imperial Knight and War Lord are others with claims in a competitive handicap.
