ATR VERDICT: PALM BEACH can make a winning hurdles debut. By Galileo, he showed smart ability on the flat for Aidan O'Brien and having beaten two useful types when winning at Listowel in September, comes here proven on testing ground and over staying trips. He will be well schooled and this if he brings his flat form, should prove hard to beat. Crassus has the advantage of having had three previous hurdle starts which is a big help to his chances. He was fairly useful on the flat and while he can be relied upon to run another sound race over hurdles today, is also vulnerable to any smart prospects. On Guard was also useful on the flat but jumped dreadfully at Killarney in October and today debuts in a hood. He is best watched.

Top Tip: PALM BEACH (6)
Watch out for: CRASSUS (1)
