**ATR VERDICT:** Getariver failed to justify favouritism at Fakenham when third last month and looked to be in the grip of the assessor over hurdles. She is interesting now back over fences and should find this easier than when taking on the likes of Fusil Raffles at Uttoxeter in September. Shanacoole Prince won over hurdles at Hereford over a year ago before finishing second at Leicester and has long shaped as though larger obstacles might suit, though this can go the way of Paul Nicholls and GLAJOU. Fourth in a hot Chepstow event recently behind the likes of Anemoi and Financier, he was best of the four-year-old contingent there and further progress beckons.

**Top Tip:** GLAJOU (5)

**Watch out for:** GETARIVER (3)
