ATR VERDICT: GRIGGY is a bit awkward and needs to be delivered at the right time, but recent form is important with low-grade sprinters on the all-weather at this time of year and he might be able to build on last month's Kempton success. Effectively 3lb lower for that effort now that Grace McEntee takes over with her 5lb allowance, the four-year-old is a previous C&D scorer and this is a nice opening. Turanga Leela was successful over C&D last month and is likely to be ridden aggressively, while the consistent Pastfact could be good enough for third.

Top Tip: GRIGGY (1)

ATR VERDICT: DE LITTLE ENGINE was only beaten a length when finishing third here last month and is fancied to claim the spoils for Alex Dunn. A wind operation two starts ago seems to have brought him back to form and the six-year-old has enough pace to cope with this drop to 6f. Kath's Lustre outran her odds to finish fourth at Chelmsford when last seen and Tyler Heard is good value for his 7lb claim, while Buy Me Back is on a favourable mark after being dropped 2lb for finishing an eye-catching seventh at Kempton 15 days ago.

ATR VERDICT: THAI TERRIER almost defied 16/1 odds to strike at Leicester in August and is likely to have strengthened up plenty for a break. Mark Johnston's charge has form figures on the all-weather of 221 from three starts and could find further improvement now trying this distance for the first time. Figeac was beaten a neck over 2m at Kempton last month and won't mind this drop in trip from a low draw, while Manjaam also found just one too good when last seen and could have a say.

ATR VERDICT: MASKED IDENTITY ran on to finish third on his latest outing at Chelmsford over a mile and the extra furlong could bring about some improvement based on that effort. Irreverent is a lot better than his latest start at Lingfield suggests and he is capable of being in the mix judged on his second at Newcastle the time before, while the return to Dunstall Park could see Assimilation step forward from his recent performances.

The 110,000gns Kingman colt wasn't without market support last month and has the talent to take this under a penalty before moving towards better things.
