Notes:

**TIMEFORM VIEW:** FERN HILL forged clear to score quite readily here 3 weeks ago and looks sure to be suited by this longer trip on that evidence, so he's a confident selection to follow up. Witness Protection impressed at Stratford after 13 months off and is the clear danger if backing up that effort.

Notes:

**TIMEFORM VIEW:** ALL HAIL CAESAR reacted pretty well to first-time cheekpieces when third at Catterick a fortnight ago and unexposed over 3m, he could be the way to go. Blaster Yeats has a bigger performance in him and is feared most up in trip, with Dalaman a player if blinkers work again.

Notes:

**TIMEFORM VIEW:** EILEENDOVER barely broke sweat when making a winning start at Huntingdon and she is hard to oppose, despite carrying a penalty. It's easy enough to make a compelling each-way case for Hoopmalassie, who was clear of the re-opposing Alchemystique when runner-up on her introduction at Warwick. However, newcomer Surooj gets the nod for forecast purposes.
