Preference is for the former, who has already been gelded but gets the vote of confidence from William Buick, while debutants Suspicion and Calumet shouldn't be underestimated, either.

TIMEFORM VIEW: HIERONYMUS admittedly had the run of things when getting the better of the re-opposing Love de Vega over C&D earlier this month, but there's a real chance that he will again be allowed a soft lead. If that proves to be the case, the 8-y-o will prove a tough nut to crack. Love de Vega has since hit the target at Chelmsford and is likely to be on the premises once again, while Revolutionise and Soar Above can do battle for minor honours.
