**ATR VERDICT:** MINTNTHAT returned to winning ways over C&D in a classified event when just getting the better of Great Colaci, who is now a non-runner in this contest, by a head and the return to handicap company is unlikely to stop him from backing up that performance. The fourth from that contest, Wheres The Crumpet, is another likely to enter calculations, while others for the shortlist include Masham Moor and Martin's Brig.

**Top Tip:** MINTNTHAT (4)

**Watch out for:** WHERES THE CRUMPET (7)
