Long Handicap: Edergole's Gift 8 - 10, Don't Fight It 8 - 10						
EXPERT VIEW: A typically tight low-grade handicap. Fast Flo has been performing fairly well of late in the main and should be involved at the buisness end but the two to really take the eye are NOTRE MISSION and Time Patrol. Preference just goes to the former who should relish the conditions and has gone pretty well off a layoff in the past. Time Patrol is a big danger. He can be forgiven his latest run when stepped up to 7f (drop back a plus) where he didn't enjoy a clear passage. Better is expected. One at likely more attractive odds that's worthy of consideration is Don't Fight It. She's not the most dependable but the pick of her AW form offers some hope but her turf form looks superior and it might be worth taking a chance she can raise her gasme considerably back on favoured conditions. CD winner Bear To Dream is another to make some appeal.
