EXPERT VIEW: Embarked ran really well back on turf latest seeing out the mile well and should cope with faster conditions here. He's entitled to go close again but might find HELLAVAPACE too much to handle back over the CD which was scene of her latest win in September off the same mark as today (on good to firm). She's fresh from a short break and will take some beating if close to her best. Got No Dollars is a threat if on top form but is too inconsistent to trust, especially on the forecast quick ground, so Comedian Leader, with questions to answer herself, has the next best credentials in a weak affair.
