EXPERT VIEW: CHARMAINE is having just her third start on turf here so has plenty of scope to improve and has been in good form with two wins and two places in her last four starts since returning from a break, she makes most appeal despite all three wins with the hood one (off here). Course winner over 1m2f Papagei went close at Salisbury last time and is most feared, he progressed well last term. Last time out winner Secret Beach had been knocking on the door before his first win at York, in good style last time out, the wind-op seems to have had an effect. 1-2-3 Selections: 1: CHARMAINE (1) 2: PAPAGEI (5) 3: SECRET BEACH (6)  EXPERT VIEW

EXPERT VIEW: EXPRESS TRAIN significantly improved to land his first win in his third start, but importantly his first start over 6f having been tested over 7f prior - he won by 5 lengths beating a heavily backed rival in taking fashion and could have more to offer. Bishop's Crown is next best, he was well backed at Windsor last time and didn't get the best of trips, but with conditions to suit and the yard in form ought to go well in first time blinkers. Sensorium was just 1 length off Group 2 winner Arizona Blaze in theHarry's Half Million By Goffs Premier Yearling Stakes when last seen, he's been off since then but if tuned up on return can go well.

Expert View: *Ran to form beaten 2 1/4l off 75 over 7f at Leicester last time on handicap debut: best form has come over 7f: may contend*★★★★ (Forecast 13/2)

EXPERT VIEW: MOUNT KING won with a bit in hand on his penultimate start at Pontefract, he has been seen to best effect there but the form of that race has been significantly franked with both second and third winning last time out so gets the nod here. Farasi Lane is next best, he is 8lb below his last winning mark and signs are there for a return to form having been well backed last time out. A Major Payne has been knocking on the door loudly in his last three starts, he has been placed in over half his 10 starts and looks to have similar chances of a place here.

1-2-3 Selections:

EXPERT VIEW: SPANGLED MAC hasn't quite been at it this term but he has only ever won at this level, winning all five starts in Class 3 company or below and is down to a tempting mark so this looks a good opportunity to re-find form of last term. King's Lynn was three years out the winning enclosure before winning last time at Haydock and a 2lb rise looks fair to build on that win. Racingbreaks Ryder is another well treated on old form and with conditions to suit can have a say. Versatile Mister Bluebird can challenge for places in what looks a competitive race.

EXPERT VIEW: JER BATT was in behind Existent in the Epsom Dash last time, but gets a 2lb pull with that rival and looked full of running when caught too far back at Chester prior so he gets the nod here in ideal conditions. Existent does have a long losing run to get over but has been knocking on the door consistently for some time, he has just 1 win from 39 turf starts but ought to be thereabouts once more eased back in grade. Making up the places is Tan Rapido who was too far back and never got a run at Newbury in his penultimate start but went on to win last time at Chelmsford when back in trip. Solar Acclaim can challenge, he was back to form last time in soft conditions.

EXPERT VIEW: This looks a very tricky contest to call with plenty of chances. PIQUE' was backed when placed at Haydock last time out and her impressive win on her final start of 2024 probably sets the standard, that was in testing conditions so a return to soft would be in favour. King's Scholar was suited by the step-up in trip over 1m5f at Hamilton and impeded last time out when probably wanted a better test, the Ed Walker yard is in form and he could go close. Miller Spirit can make up the places, he was briefly impeded at Ascot last time and relishes soft ground.

Jockey Colours: Yellow, gold seams, brown cap (RacingLeague) Expert View: <i>Scored by 2 1/4l off 75 over 1m4f at Ripon three starts back; fourth beaten 3/4l off 80 last time; enjoys making it; contender, but best form over 1m4f</i> ★★★★☆ (Forecast 14/1)					Notes:	
EXPERT VIEW: Rathgar won this race from a 11lb lower mark and could bounce back on his return to this track for the first time, he won't mind any soft ground either. Claymore took advantage of a career low mark to win last time for the first time since winning a Group 3 in 2022, so there's obvious claims he could improve this term given he was once rated 111, now 95. It's WAVE RIDER that makes most appeal though, he was a well backed winner last time when winning with little fuss by 3 lengths and can rate much higher than this.
