| <p><b>ATR VERDICT:</b> Coramento heads the weights after winning here over 7f in October and he has to be considered off 3lb higher. The four-year-old can go well, but there is every chance that IMOLA can give Joey Ramsden his first winner since returning to the training ranks. Placed on her last three starts, this may be her best chance yet. Without Delay and Concert Boy also make the shortlist.</p> <p><b>Top Tip:</b> IMOLA (8)<br/><b>Watch out for:</b> CORAMENTO (1)</p> |      |         |                                                                    |          |                                       |    |
