Effective from 2m to 2m4f and suited by good or good to firm ground. Chance if repeating that latest effort. ★★☆☆☆ (Forecast 6/1)</i>						Notes:
EXPERT VIEW: A weak race that can go to BLUE UNIVERSE, who has top weight but looks the one to beat on the form of his handicap third at Worcester in September. He didn't get home when tried in cheekpieces last time, but is free of headgear now and gets the assistance of Freddie Gordon. Tigga Time clearly needed the run on his recent return from a lengthy absence/stable debut at Worcester and now finds himself on a nice mark, while at bigger odds don't be surprised to see a good run from Bread And Butter, a past C&D winner who finds himself attractively weighted these days.
