EXPERT VIEW: The standard is probably set by debut winner Kapitein Kool. He caused a shock that day but there was no fluke about it as he beat numerous previous winners so he isn't ruled out under a penalty. He could however be vulnerable to a talented newcomer such as HARRY LOWES. The selection was a winner in a point last time and has since joined top connections. He will have more to offer under rules and gets the verdict ahead of Aguellid who shaped well on his only start in France which has been boosted at Listed level.
