ATR VERDICT: There was plenty to like about A PATH TO RONDA's winning hurdles bow at Stratford and she looks more than capable of defying a 7lb penalty. Supreme Malinas finished just behind the selection in a Listed bumper at Sandown in March and is feared most on her first appearance over timber. Merely A Detail has placed in both outings over obstacles and is the pick of the remainder.

Top Tip: A PATH TO RONDA (1)

Watch out for: SUPREME MALINAS (5)
