EXPERT VIEW: Point winner SPECIAL JOHN proved consistent in his short hurdling career and could now get off the mark under rules switched to the larger obstacles. He recorded a rating higher than his current mark on his penultimate start over hurdles and the form of that race has worked out well. Top weight Mythe Bridge has gone close on both starts over fences so far so looks the obvious danger while Fat Faced Columbo is also of interest at a bigger price. He shaped like a stayer on his last hurdles run and it is notable that the yard switches him to fences so quickly in his career.
