Long Handicap: I Love You Sivola 9 - 10						
EXPERT VIEW: Point winner JAKAR DU MOULIN was still in front when coming down last time and is chosen to make amends off just 2lb higher on his return. He's completely unexposed at 3m in handicaps and is open to further progress following a wind op. The consistent Diamatiste arrives in form and should find this easier than his latest assignment. He could prove the main danger ahead of Kingston Gent who has shaped like a strong stayer so should relish this extra distance.
