EXPERT VIEW: HOMME DE FER remains in form and should prove well suited by the drop to 7f, having been a little too keen over a mile at Kempton last time. He still appeals as being on a workable mark and is just favoured to How's The Guvnor, who was nicely on top late when winning at Southwell last time. He has a penalty but will surely go well again. Third choice is Tootsie, who is still a maiden but has been running well and could find the visor aiding her.
