**EXPERT VIEW:** She's having to concede weight all round, but MIDNIGHT CALL has been on a roll, winning three of her last four starts, including a couple of classified events at this course. She's just as effective at this shorter trip - won over 6f last time - and her capable rider's 7lb claim is an obvious bonus. Juno Star ran well in a C&D classified events earlier in the month and will be suited by the return to this venue, having run at Southwell the last twice. She's the danger, with The Defiant third on the list judged on his penultimate outing in a handicap at Lingfield.
