-------	---	---------	---	---------	------------------------------	----

Notes:

**Jockey Colours:** Black, yellow epaulets, striped sleeves and star on cap  
**Expert View:** Remains below his best after being beaten 6l in a classified race here last time. Effective over 6-7f, but has yet to show much since returning to action.  (Forecast 33/1)

Long Handicap: Eye Of The Water 8 - 13, Musaytir 8 - 13

**EXPERT VIEW:** HOMME DE FER remains in form and should prove well suited by the drop to 7f, having been a little too keen over a mile at Kempton last time. He still appeals as being on a workable mark and is just favoured to How's The Guvnor, who was nicely on top late when winning at Southwell last time. He has a penalty but will surely go well again. Third choice is Tootsie, who is still a maiden but has been running well and could find the visor aiding her.

Expert View: Too keen but did his best work late when beaten 4 1/4l in a classified race here last time. Usually held up and more is needed back in a handicap. ★★★★ (Forecast 14/1)

Notes:

Long Handicap: Rogue Thunder 8 - 13, Oldbury Lad 8 - 13

**EXPERT VIEW:** Court Of Session isn't the most consistent but he's more than capable on his day and needs considering in this, but the selection is BAD HABITS, who was a little too keen dropped in trip last time. He seems happier at this distance, winning over C&D three starts back, and is ideally berthed to get a good position in behind the leaders. River Wharfe hasn't been in the best form of late but is down to a good mark and likes this C&D.

<b>Jockey Colours:</b> Dark blue, beige stripe						
<b>Expert View:</b> Green and missed the break when showing nothing and finishing well beaten in a maiden here on his only start. Speed on the sire's side and more stamina on the dam's side; all to prove after a poor debut.★★★★★ (Forecast 20/1)

<b>Jockey Colours:</b> White, dark blue disc, white sleeves, dark blue spots						
<b>Expert View:</b> Awkward at the start and green under pressure when well beaten in a maiden at Kempton latest. Bred for around 7f and looks the type to do better in handicaps.★★★★★						
<b>EXPERT VIEW:</b> Horwich made a winning debut over C&D, albeit not looking straightforward in a hood, but there's likely still more to come from him. Whether he can defy a penalty if the newcomer KOKUSHOKU runs to a mark in the mid-70s on debut remains to be seen, however. His dam is related to Group performers and this is taken to make a winning debut for his good yard. Big Moonrise is third on the list, although looks an unlikely winner, at least until he's in handicaps.

**EXPERT VIEW:** She's having to concede weight all round, but MIDNIGHT CALL has been on a roll, winning three of her last four starts, including a couple of classified events at this course. She's just as effective at this shorter trip - won over 6f last time - and her capable rider's 7lb claim is an obvious bonus. Juno Star ran well in a C&D classified events earlier in the month and will be suited by the return to this venue, having run at Southwell the last twice. She's the danger, with The Defiant third on the list judged on his penultimate outing in a handicap at Lingfield.

**Jockey Colours:** Royal blue, beige hoop and sleeves, white cap  
**Expert View:** Cheekpieces are worn for the first time after running about to the balance of her form when beaten 7f into third in a handicap at Lingfield last time. She wants 6f or further and needs to find more. (Forecast 12/1)

**Jockey Colours:** Light blue, orange epaulets  
**Expert View:** Ran about to form but made plenty of use of when beaten 4f off a 3lb higher mark at Lingfield last time. A tongue-tie is applied for the first time, although he has a wide draw and the mark looks stiff. (Forecast 10/1)

**Jockey Colours:** Yellow and light blue check, white and yellow striped sleeves, yellow and light blue quartered cap

**Jockey Colours:** Dark blue, white hooped sleeves, white cap  
**Expert View:** Produced a poor effort, perhaps not staying, when well beaten in a handicap at Lingfield last time. Effective at 7f, but her form has deteriorated rapidly and she needs to arrest that decline. (Forecast 66/1)

**Jockey Colours:** Beige, brown chevron, hooped sleeves and spots on cap  
**Expert View:** Made too much use of and was very disappointing when well beaten in a handicap at Lingfield latest. She had been in good form beforehand and is on a competitive mark for this drop back to 6f. (Forecast 14/1)

**Jockey Colours:** Light green, black triple diamond, diamonds on sleeves, light green cap, black diamond  
**Expert View:** Made too much use of but ran to the balance of her form when beaten 6 1/4f in a maiden at Dundalk last time. She had been in good form prior, but looks exposed as ordinary despite this being a weak race. (Forecast 8/1)

**Jockey Colours:** White, dark blue chevrons, white sleeves, dark blue stars, white cap, dark blue star  
**Expert View:** Put in a fine effort despite going fast early when beaten 3 1/4f off a 1lb higher mark at Southwell last time. Her trainer is in form, she is suited by 6f, and she looks on a fair mark. (Forecast 5/2)

**EXPERT VIEW:** FORCEFUL LADY wasn't seen to best effort at Lingfield last time, being made too much use of over 7f, but she'd earlier looked a little unfortunate over this trip at Chelmsford and is taken to bounce back to form. Luna Beaux, formerly trained in Ireland, holds a fair chance on the pick of her form provided she runs to her best on this stable debut. Expert View: Would have been closer with a better run when beaten 3 1/2l off a 2lb higher mark at Kempton last time. Blinkers are applied for the first time and she can go well.  (Forecast 8/1)

**EXPERT VIEW:** The step up in trip looks a good move for PINK SOCKS, who has been on a fine run of form in classified events and still appeals as being on a fair mark for this return to handicap company. Often strong at the finish of the her races, she could find a bit more for the longer trip and is taken to complete the four-timer. Rajinoora is proving consistent and she can emerge as the danger, with the step up in trip a good thing for her also. Leeson Street is next best, up in trip and with blinkers tried.

<b>Notes:</b>					

**Jockey Colours:** White and black diamonds, chevrons on sleeves, white cap, black stars  
**Expert View:** Badly left the stalls and was always detached when beaten 9l in a handicap at Dundalk last time. Effective at 5f and 6f and best on all-weather, but his form has tailed off and enthusiasm is a concern.★☆☆☆ (Forecast 25/1)

Long Handicap: Phil's Dream 8 - 8

**EXPERT VIEW:** ROGUE DE VEGA is taken to land a C&D hat-trick. He's really struck form of late and a 3lb rise looks most fair given he travelled well and scored with a bit in hand most recently. Alafdal hasn't been at his best of late, but was on a hot streak of form to end 2025 and he's still competitively weighted if leaving behind his two most recent efforts. Son Of Astar is respected also, putting in some good late work after a sluggish start last time.

**Jockey Colours:** Mauve, large pink spots, mauve sleeves, pink spots, pink cap  
**Expert View:** Was too keen and below form when beaten 3l in a classified race at Chelmsford last time. The trainer is in form and he is effective at 5f, but he has a bit to prove at present. 

Notes:

**EXPERT VIEW:** SHALAA ASKER, a good winner at Chelmsford two starts back, looked unlucky not to go close from his revised mark at Southwell last time, no getting the best of runs, and he may gain compensation in this. Forest Gunner sprang back to life when winning a classified event at Lingfield last time and is of some interest back in a handicap so rates the danger. Street Life is sure to go well again also, having struck form of late, running well when third under a penalty over C&D just four days ago.

**1-2-3 Selections:**

- 1: SHALAA ASKER (5)
- 2: FOREST GUNNER (6)

**Jockey Colours:** Mauve, large pink spots, mauve sleeves, pink spots, pink cap

**Expert View:** Was too keen and below form when beaten 3l in a classified race at Chelmsford last time. The trainer is in form and he is effective at 5f, but he has a bit to prove at present.  (Forecast 16/1)
