**Jockey Colours:** Black, orange disc, sleeves and cap

Notes:

**Expert View:** Too keen up in class but ran to form when last of five in Winter Novices' Hurdle (Grade 2) here last time; tongue-tie first time; off a short-break; effective 2m, acts on GS and HY; back in calmer waters and did win a bumper here on heavy.★★★★★ (Forecast 7/2)

---	---	---------	--	----------	----------------------------	---

**Jockey Colours:** Royal blue, white hoop, red and white diabolo on sleeves, orange cap

Notes:

**Expert View:** Improved, scored with bit in hand on hurdles debut when winning a maiden hurdle at Wincanton by 2 1/2l last time; effective around 2m with cut; leading claims despite penalty.★★★★☆ (Forecast 15/8)

---	---	---------	--	----------	------------------------------	-----

**Jockey Colours:** Purple, pink cross of lorraine, halved sleeves, pink cap

Notes:

**Expert View:** Travelled, weakening when unseated late in a novice hurdle at Fontwell latest; effective 2m, acts on any; needs more to get back on track.★★★★☆ (Forecast 9/2)

**Jockey Colours:** Dark blue, yellow hoop, white sleeves, dark blue cap, yellow star

Notes:

---	---	-----	--	------------	---------------------------------	---

**Jockey Colours:** White, black cap

Notes:

**Expert View:** Far too keen, stopped quickly late when comfortably held in a maiden hurdle at Kempton last time; surely better than that and trainer in form but first-time hood needs to help him settle.★★★★☆ (Forecast 4/1)

6		F2	<b>WISPIT TWOB</b> (IRE) 69 b f Blue Bresil - Echarpe Tricolore	4 10 - 2	Harry Atkins (7) M Keighley	-
---	---	----	--	----------	--------------------------------	---

**Jockey Colours:** Pink, royal blue spots, royal blue and pink halved sleeves

Notes:

**Expert View:** Improved when second, beaten 8l, in a juvenile hurdle at Cork latest. Off a short break, is effective at 2m1f on yielding to soft, and may have more to come on stable debut.★★★★☆ (Forecast 16/1)

**EXPERT VIEW:** Sinchi Roca improved on his already decent bumper form to make a winning hurdles debut at Wincanton two weeks ago and it would be no surprise to see him follow up, but CRACKERJACQUE looks well worth giving another chance to tried in a first-time tongue-tie. He won well on his hurdles debut before racing too keenly and finishing last of five in the Grade 2 Winter Novice Hurdle behind No Drama This End here last time. Dropping to 2m will suit him well and the going won't be an issue with him having won a bumper here on heavy last season. Ionian is surely better than his Kempton debut suggests and perhaps a first-time hood will assist him in settling.

<b>Expert View:</b> Did it cosily and improved again when landing a handicap by 12l off a 13lb lower mark at Lingfield last time. Effective over 2m4f-3m2f and hugely progressive, he may defy his new mark despite a rise in grade.★★★★★ (Forecast 5/4)						

**EXPERT VIEW:** This is a competitive little race. Stamina is sure to be at a premium and that may suit BOLLIN THOU ideally given he was a winner over almost 3m2f earlier in January. He's up 13lb in his bid for a four-timer, and is also up in class, but still receives weight from all and shouldn't have any issue with the ground conditions. Tennessee Tango is a likely improver now handicapping over a longer trip, having shaped promising in qualifying runs, while Precious Metal certainly shaped as though this trip would suit when getting up late to win a maiden hurdle at Lingfield last time.

## **Virgin Bet A Good Bet Novices' Limited Handicap Chase (GBB Race) (Class 3) (5YO plus)**

**EXPERT VIEW:** Rip Wheeler could easily return to form tried in blinkers, with his stable always commanding utmost respect here, but NORN IRON appeals more. Although a little underwhelming at Windsor last time, he seemed to find things happening too quickly on the dry ground and getting back on a deeper surface over a longer trip could unlock improvement, with a tongue-tie also added. Soldierofthestorm should improve on his chase debut, when second at Hereford, but a bigger threat may come from Mon Champion, who looked to be crying out for this trip when up late to win last time. Almost all of his penalty is offset by his rider's claim.

The ground on that occasion also happened to be heavy and, although the 11yo hasn't been in brilliant form of late, he would have found 2m on good ground at Cheltenham last time against him. Dr T J Eckleburg, runner-up last year, showed more tried in cheekpieces at Wincanton last time and he's on a fair mark if building on that, so rates the danger once again, with Kotmask of interest were it not for ground concerns. Jax Junior certainly has the ability to be on a really good mark but he bled last time and the ground may not be for him either.</p> <p><b>1-2-3 Selections:</b></p> <p>1: GUNSIGHT RIDGE (2) 2: DR T J ECKLEBURG (9) 3: KOTMASK (7)</p>

Notes:

**EXPERT VIEW:** Just the four runners but a fascinating edition of this Grade 1 novice due to the strong representation from Ireland. Gordon Elliott's mare Kala Conti is 2-2 over fences and was particularly impressive in disposing of Kargesse at Cork last time. She's been aimed at the race and is receiving 7lb, so a big run seems assured, but the manner in which KITZBUHEL flew around Kempton under a positive ride to win the Kauto Star over 3m was striking and similar tactics at often rewarded at Sandown. That form has been nicely boosted, with subsequent wins by the third and fourth, and he won't have any issue with the drop in trip on deeper ground. Sixmilebridge is unbeaten over fences himself and certainly not out of this for Fergal O'Brien, having been impressive in disposing of inferior rivals at Cheltenham last time.

<p><b>EXPERT VIEW:</b> The veteran Gabbys Cross remains fairly treated and could easily have a say back over hurdles, having finished his race off strongly over fences here last time. This may be best left to HENRI THE SECOND, though, the Paul Nicholls-trained 9yo being something of a course specialist. He ran well over an inadequate trip here last time and won't have any issue with getting back on some deeper ground. Hartington stands a good chance on the form of his Haydock run two starts back, but needs to leave behind a modest run at Windsor last time. Roaring Conquest can't be ruled out either, having been made too much use of last time.</p>

**EXPERT VIEW:** Pic Roc isn't the most consistent but still gives the impression there's a decent prize in him when things fall right. Whether that's today on heavy ground remains to be seen. There's also a small doubt as to whether Mr Vango will have the pace for this despite the ground set to be testing - he hasn't raced over a trip shorter than 3m2f in two years. He's 3lb higher than when last held in the Becher and has some big spring Nationals on his agenda. Let's side with FORTUNATE MAN, who won well on his reappearance at Aintree when looking like a young stayer with more to offer this season. He's receiving 26lb from Mr Vango.
