<b>Jockey Colours:</b> Black, red cross belts and armlets, quartered cap <b>Expert View:</b> <i>Pulled up in a handicap hurdle at Huntingdon last time. Returns from a short break; effective over 2m and regressive. ★☆☆☆☆ (Forecast 66/1)</i>					Notes:	
<b>EXPERT VIEW:</b> Inion Tiogair is likely to prove popular as she arrives in an excellent run of form and her latest effort has been boosted. However she has thrown away a number of good opportunities and her battling qualities are in question. HARBOUR LIGHT may prove a good value alternative having proven progressive in maidens. He was beaten by a potentially classy rival last time and his opening mark looks lenient. The step up in trip should suit and he is fancied to defeat the inconsistent Mumbles who looks on a fair rating based on his recent form here. He was unsuited by the drop to 2m over fences last time but will be a danger here up in trip.
