EXPERT VIEW: BOSSMAN JACK beat a useful yardstick last time and should be able to defy a penalty here. His debut form has also been franked emphatically and he's proven with cut in the ground so can defeat Emerald Breeze who was only narrowly denied last time by a strong stayer. That rival has some strong course bumper form and is open to further progress in this discipline. I'm Wide Awake proved consistent in bumpers and can also make his presence felt on his hurdling debut though he will need to improve to test the selection.

1-2-3 Selections:

1: BOSSMAN JACK (1)
2: EMERALD BREEZE (5)

Expert View: Quickened clear readily and improved to defy a penalty when winning a juvenile hurdle at Lingfield by 4 1/2l last time. Off a short break, effective at 2m and acts on good to soft and good ground. Progressing over hurdles and looks a huge player despite big weight.★★★★★ (Forecast 7/2)

Jockey Colours: Emerald green, red diamond, yellow sleeves, emerald green diamonds, red cap

Expert View: Very promising 1 1/4l winner of a juvenile hurdle at Lyon Parilly on debut. That looks good form. Returning from a break, effective at 2m 1f and acts on heavy ground. A French winner with more to come for a top yard.★★★★★ (Forecast 10/11)

Jockey Colours: Black and pink diabolo, black sleeves, pink cap, black star

Expert View: Green and stumbled on the bend when comfortably held in a 4yo hurdle at Warwick last time. Effective at 2m and acts on good to soft ground. Should improve a little with experience.★★★★★ (Forecast 14/1)

Jockey Colours: Light blue, black star, black sleeves, light blue stars, light blue cap, black star

Expert View: Promising debut when beaten 10l into fourth in a juvenile hurdle at Hereford first time out. Wears a tongue-tie for the first time and returns from a break. Effective at 2m and acts on good ground but must improve to challenge.★★★★★ (Forecast 14/1)

Notes:

---	---------------------------------------------------------------------------------------	---	-------------------------------------------------------------	----------	------------------------------	---

Jockey Colours: Orange, black star, white sleeves, emerald green stars, white cap, emerald green star

Expert View: Green early but finished well on a promising debut when runner-up, beaten 2 1/2l, in a juvenile hurdle at Exeter on his only start. Off a short break, effective at 2m and acts on good to soft. Debut form franked in a Grade 2 and should improve significantly so a big threat.★★★★★ (Forecast 10/3)

Notes:

EXPERT VIEW: MERCI MAM showed a high level of form when making a winning debut in France and could follow up on his first start for his new yard. He's proven on testing ground and gets weight from his main rival Aqua Bleu who showed a good turn of foot when beating a modest field last time. Perhaps the most interesting opponent is Mwabani who finished runner up to a future Grade 2 winner on debut. He went off favourite that day so is likely thought capable of much better.

- 2: MWABANI (5)
- 3: AQUA BLEU (1)

Expert View: Went clear with ease and outclassed rivals when winning a novice chase at Kelso by 16l last time, having dropped in grade. Enjoys making it and is effective at around 2m-2m4f on soft and good ground; progressing over fences now his jumping has improved and fair mark judged on hurdles form.  (Forecast 5/2)

Notes:

Jockey Colours: Royal blue, pink hoop
Expert View: Improved back down in trip when second, beaten 6 1/2l, in a novice chase here last time. Would've won over 2 1/2m but for falling previously. Effective over 2m on soft ground and there may be a bit more to come over fences off what looks a generous mark.  (Forecast 5/6)

EXPERT VIEW: Debut winner JUBY BALL was beaten by a useful rival who got his jumping together last time and looks well treated back in a handicap. He looked the likely winner when coming down late off this mark on his penultimate start and the step back up in trip will be in his favour. He can defeat The Four Sixes who has been progressing over fences now he's brushed up on his jumping and looks on a good mark based on his spring hurdles form. Bumper and hurdles winner Willmount produced improved form on his last chase run where he was just outstayed late over 3m. He isn't ruled out either in a tight contest.

effective over 3m, further the better, and acts on any ground.★★★★★ (Forecast 11/4)

Expert View: Did it cosily and, although she did not beat much, improved down in class and was suited by a positive ride at a sharp track when landing a handicap by 17l off a 14lb lower mark at Hereford last time. Enjoys making it and is effective over 2m-2m5f on good to soft

and good but plenty more needed off this mark.★★★★★ (Forecast 7/2)

Notes:

Jockey Colours: White, black stars, royal blue sleeves, black cap

Expert View: Won this race last year. Made too much use of when beaten 8l in a handicap hurdle at Plumpton last time; blinkers are applied for the first time, she is effective over 2m4f-3m1f and suited by plenty of cut, and still looks on a fair mark. Top jockey booked and should go well.★★★★★ (Forecast 5/1)

EXPERT VIEW: All of the field hold solid claims here but it may be worth taking a chance with bottom weight GETAWAY THEATRE. She ran poorly last time but she went too fast that day and she was in excellent form prior to that. The blinkers go on and if setting a more sensible gallop under Sean Bowen she could prove tough to stop. Holly Hartingo has returned to her best form this term in stronger contests than this and remains well treated on her novice efforts so looks the biggest danger. The steadily progressive Jalisco Star is also feared having just been beaten by a progressive rival last time.

Notes:

EXPERT VIEW: THE BIG REVEAL can make amends for a late spill over C&D last time when he was clear in front. He's gone up 6lb for it but it proved he handled plenty of give in the ground and he can take advantage of a light weight here. Astronomic View remains a maiden over fences but he's been steadily running into form recently and he looks on a generous mark judged on his hurdles form. He can fill the places with veteran Enjoy D'Allen who is enjoying a revival of late and remains very well treated on his old Irish form.

Jockey Colours: Red, orange diamond, orange sleeves, red stars, orange cap, red diamonds
Expert View: Ran to form when just beaten by a progressive, well-treated rival, finishing second beaten 12l in a handicap hurdle at Lingfield last time. That form has been franked. Trainer is in form; effective over 2m and acts on heavy and good to soft. A longstanding maiden over hurdles but back in form.★★★★☆ (Forecast 11/2)

Jockey Colours: Yellow, dark blue chevron, striped sleeves

9		3/511-55	RICHARDSON 20 CD	11 10 - 12	Lee Edwards B Clarke	80
---	-----------------------------------------------------------------------------------	----------	-------------------------	------------	----------------------	----

Jockey Colours: Emerald green and red check, halved sleeves, emerald green and red quartered cap
Expert View: Won this race last year; made mistakes and did not find much when well held by less exposed rivals, comfortably held in a handicap hurdle at Uttoxeter last time. Usually held up, effective over 2 1/2m and suited by plenty of cut; must bounce back.★★★★☆ (Forecast 10/1)

----	-----------------------------------------------------------------------------------	---------	---------------------	-------------	------------------------------	----

Jockey Colours: Yellow, dark blue braces, hooped sleeves, quartered cap
Expert View: Travelled well and had every chance when running to form, finishing third beaten 5 1/2l in a handicap hurdle at Warwick on his most recent run. Effective over 2-2 1/2m and acts on soft; an inconsistent maiden.★★★★☆ (Forecast 4/1)

Notes:

11		58P0-6P	MI SUENO (IRE) 94	7 10 - 8	Liam Harrison D Brace	76
----	-----------------------------------------------------------------------------------	---------	--------------------------	----------	-----------------------	----

Jockey Colours: Black, red cross belts and armlets, quartered cap
Expert View: Pulled up in a handicap hurdle at Huntingdon last time. Returns from a short break; effective over 2m and regressive.★★★★☆ (Forecast 66/1)

Notes:

EXPERT VIEW: Inion Tiogair is likely to prove popular as she arrives in an excellent run of form and her latest effort has been boosted. However she has thrown away a number of good opportunities and her battling qualities are in question. HARBOUR LIGHT may prove a good value alternative having proven progressive in maidens. He was beaten by a potentially classy rival last time and his opening mark looks lenient. The step up in trip should suit and he is fancied to defeat the inconsistent Mumbles who looks on a fair rating based on his recent form here. He was unsuited by the drop to 2m over fences last time but will be a danger here up in trip.

1-2-3 Selections:

- 2: INION TIOGAIR (7)

EXPERT VIEW: DELTA BLUES BELLE never came off the bridle when upped to 3m last time in what looked a strong race for the grade and should be able to follow up off 7lb higher. She likely has much more to offer for her top stable and can defeat consistent maiden Klic Boum who proved his stamina for 3m last time on testing ground. The Grey Man didn't take to chasing but he was running well when coming down last time and looks on a fair mark returned to hurdling with Bowen booked so isn't dismissed either.
